GSA REMANUFACTURED SYSTEMS

Looking for an environmentally friendly value solution for government agencies? Our remanufactured stations provide a significant savings off the price of new, though they are held to the same standards of quality and durability. Our Sustainable Series are available under our Remanufactured Systems GSA contract.

Product Offerings

OPS2 Remanufactured Panel Systems

- We remanufacture three core system components: the panel core, connector core, and the overhead core. Everything else is new!
- Limited to items in GSA Remanufactured Systems price book.

Program Offering

Sustainable C2 Program

- A large selection of fabrics and finish options
- Save up to 40% off the price of new
- 82% off the list price
- Limited to items in GSA Remanufactured Systems price book.
