

# MODULAR WALLS

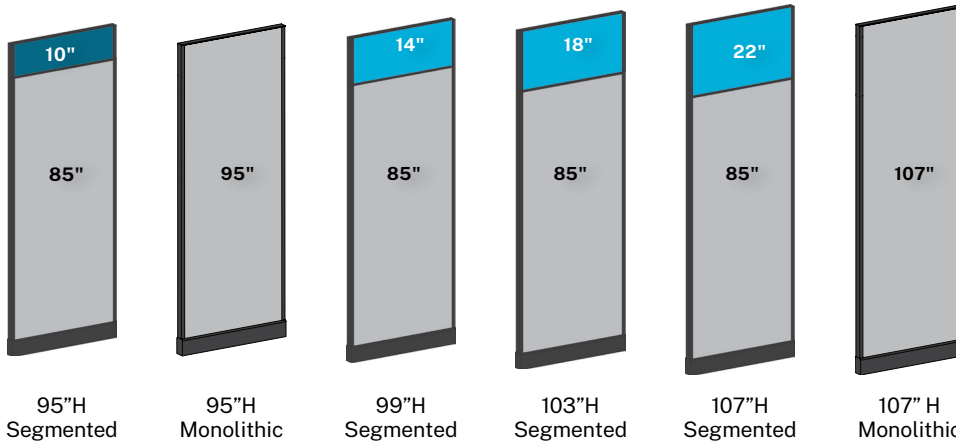

## REFINE YOUR SPACE

In a collaborative work environment, modular walls allow for the open plan concept paired with the management of noise and distractions. Create a new conference room or private office at a fraction of the cost of alternative solutions.

Add space to existing buildings with new floor to ceiling modular walls and doors that accommodate ceilings up to 9 feet high. The optional ceiling channel trim adds the finishing touch to floor-to-ceiling modular walls.

With finish offerings of fabric, acoustic and laminate panels, we are confident you will be satisfied with the quality and value of our modular walls. UL Listed with a Class A fire rating.

Available in Fabric, Acoustic, Glass & Laminate Panels

85"H available in monolithic or segmented options

- Fabric Only
- Fabric or Glass

### Add frosting bands to your glass panels!

Increase the privacy of your meeting spaces without sacrificing the natural light that all-glass panels can provide by **adding frosting bands to your door sidelights or glass panels.**

\$100.00 Net upcharge applies. Application is installed on site, minimum charge may occur.
